Product Specification

Material

Solder Pin:	Copper Alloy Tin plated
Housing:	PA46
Lever:	PA46
Clamp	Steel

Electrical

Rated voltage:	300V
Rated current:	10A
Insulation resistance:	500MΩ / DC500V
Withstanding voltage:	2000VAC / 1 minute
Suitable wire range:	AWG 16~28

Mechanical

Temperature range:	-40°C ~ +120°C
PCB hole dia:	1.0~1.10mm
Through hole reflow soldering temp.	260°C

				Description:	General specifications for Euro Style PCB Terminal Block.
