Product Specification

Material

Pin header : Copper alloy, Tin plated
Housing : PA66, UL94V-0

Electrical

Rated voltage : 150V
Rated current : 4A
Insulation resistance : 500MΩ / DC500V
Withstanding voltage : 1500VAC / 1 minute

Mechanical

Temperature range : -40°C ~ +105°C
MAX soldering : +250°C for 5 seconds

				Description:	General specifications for Euro Style PCB Terminal Block.
